

## COMPANY FORMATION SERVICE - MULTIPLE SHARE CLASSES

When you need to form a new company, rely on the experts. MNA forms companies on a regular basis, and your company formation will be overseen personally by a formation expert. When your company is formed MNA can also take care of all your statutory obligations, leaving you free to concentrate on building your business. Choose from one of our formation packages below and then select any optional extras you would like to compliment the service.

Note: This Fact Sheet is for the formation of UK Private Limited Companies with multiple classes of shares, if you require a different type of company to be formed or only a single class of share, please speak to us.
